SUBJECT:—*Import of raw materials, components and spares by units engaged in the Pharmaceutical and Drugs industry (Non-DGTD—Non-SSI units) during April 1967—March 1968.*

No. 126-ITC(FN)/67.—Attention is invited to paragraph 40 in Section I of the Import Trade Control Policy (Red Book) for the period April 1967—March 1968 and also paragraph 73(ii) of the Import Trade Control Hand Book of Rules and Procedure 1967, which lay down the procedure for the submission of applications for import of raw materials, components and spares by Non-DGTD/Non-SSI units other than those sponsored by the State Directors of Industries.

2. Under the policy and procedure indicated in the provisions referred to above, units engaged in Pharmaceutical and Drugs industry (priority industry) would have been required to submit their import applications for raw materials, components and spares to the regional licensing authorities through the sponsoring authority, namely, the State Drugs Control authority concerned. The position in respect of this industry has been reviewed, and it has been decided that the procedure and the policy applicable to small scale units for the import of raw materials, components and spares during April 1967—March 1968 will also apply to the Non-DGTD/Non-SSI units engaged in Pharmaceutical and Drugs industry. Such units should, therefore, submit their import applications in the same manner as the SSI units during April 1967—March 1968; and the provisions of paragraphs 27—37 in Section I of the Import Trade Control policy (Red Book) for the period April 1967—March 1968 and also paragraph 76 of the Import Trade Control Hand Book of Rules and Procedure 1967, as amended, will apply to these units also.

3. The procedure for the submission of the import applications by actual users (Non-DGTD/Non-SSI units) engaged in the Pharmaceutical and Drugs industry, as contained in the Import Trade Control Policy (Red Book) for the period April 1967—March 1968 and in the Import Trade Control Hand Book of Rules and Procedure 1967, may be deemed to have been amended accordingly.

P. D. KASBEKAR,

Chief Controller of Imports and Exports.
